A BILL TO BE ENTITLED

AN ACT CONCERNING ADMINISTRATION OF HUMAN SERVICES IN COUNTIES THAT HAVE ELECTED TO CONSOLIDATE THOSE SERVICES DIRECTLY EITHER UNDER THE COUNTY OR UNDER A CONSOLIDATED HUMAN SERVICE BOARD, AND TO MAKE THAT STATUTE STATEWIDE IN APPLICABILITY.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 153A-77 reads as rewritten:

"§ 153A-77. Authority of boards of commissioners in certain counties over commissions, boards, agencies, etc.

(a) In the exercise of its jurisdiction over commissions, boards and agencies, the board of county commissioners may assume direct control of any activities theretofore conducted by or through any commission, board or agency by the adoption of a resolution assuming and conferring upon the board of county commissioners all powers, responsibilities and duties of any such commission, board or agency. This subsection shall apply to the board of health, the social services board, area mental health, developmental disabilities, and substance abuse area board and any other commission, board or agency appointed by the board of county commissioners or acting under and pursuant to authority of the board of county commissioners of said county. A board of county commissioners exercising the power and authority under this subsection may, notwithstanding G.S. 130A-25, enforce public health rules adopted by the board through the imposition of civil penalties. If a public health rule adopted by a board of county commissioners imposes a civil penalty, the provisions of G.S. 130A-25 making its violation a misdemeanor shall not be applicable to that public health rule unless the rule states that a violation of the rule is a misdemeanor. The board of county commissioners may exercise the power and authority herein conferred only after a public hearing held by said board pursuant to 30 days' notice of said public hearing given in a newspaper having general circulation in said county.

The board of county commissioners may also appoint advisory boards, committees, councils and agencies composed of qualified and interested county residents to study, interpret and develop community support and cooperation in activities conducted by or under the authority of the board of county commissioners of said county.

(b) In the exercise of its jurisdiction over commissions, boards, and agencies, the board of county commissioners of a county having a county manager pursuant to G.S. 153A-81 may:

- (1) Consolidate the provision of human services in the county under the direct control of a human services director appointed and supervised by the county manager in accordance with subsection (e) of this section;

- 1 (2) Create a consolidated human services board having the powers conferred by
2 subsection (c) of this section;
- 3 (3) Create a consolidated county human services agency having the authority to
4 carry out the functions of the local health department, the county department
5 of social services, and the area mental health, developmental disabilities, and
6 substance abuse services authority; and
- 7 (4) Assign other county human services functions to be performed by the
8 consolidated human services agency under the direction of the human
9 services director, with policy-making authority granted to the consolidated
10 human services board as determined by the board of county commissioners.

11 (c) A consolidated human services board appointed by the board of county
12 commissioners shall serve as the policy-making, rule-making, and administrative board of the
13 consolidated human services agency. The consolidated human services board shall be
14 composed of no more than 25 members. The composition of the board shall reasonably reflect
15 the population makeup of the county and shall include:

21 developmental disability, one family member of a person with a substance
22 abuse problem, and two consumers of other human services.

33 has the qualifications or attributes of more than one category of membership.

34 All members of the consolidated human services board shall be residents of the county. The
35 members of the board shall serve four-year terms. No member may serve more than two
36 consecutive four-year terms. The county commissioner member shall serve only as long as the

38 The initial board shall be appointed by the board of county commissioners upon the
39 recommendation of a nominating committee comprised of members of the preconsolidation
40 board of health, social services board, and area mental health, developmental disabilities, and
41 substance abuse services board. In order to establish a uniform staggered term structure for the
42 board, a member may be appointed for less than a four-year term. After the subsequent

44 from nominees presented by the human services board. Vacancies shall be filled for any
45 unexpired portion of a term.

8 (d) The consolidated human services board shall have authority to:

- 9 (1) Set fees for departmental services based upon recommendations of the
10 human services director. Fees set under this subdivision are subject to the
11 same restrictions on amount and scope that would apply if the fees were set
12 by a county board of health, a county board of social services, or a mental

37 of the State Personnel Act, Act, unless the county board of commissioners elects to subject the
38 local employees to the provisions of that Act. All consolidated county human services agencies
39 shall comply with all applicable federal laws, rules, and regulations requiring the establishment
40 of merit personnel systems.

41 (e) The human services director of a consolidated county human services agency shall
