34 the authority to provide that, if the principal or the principal's designee determines that a student's
35 parent, guardian, or custodian, or a student who is 18 years of age, has not made a good-faith
36 effort to comply with the compulsory attendance requirements of the pilot program, the principal
37 shall notify the district attorney and, if the student is less than 18 years of age, the director of

14 school for the term of compulsory attendance for the reasons given. If the court finds, after careful
15 investigation, that the student or the parents have made or are making a bona fide effort to comply
16 with the compulsory attendance law, and by reason of illness, lack of earning capacity, or any
17 other cause which the court may deem valid and sufficient, the student is unable to attend school,

"SECTION 12I.1.(b) Information to Be Included in Block Grant Plans. – The Department of Health and Human Services shall submit a separate plan for each Block Grant received and administered by the Department, and each plan shall include the following:

- (1) A delineation of the proposed allocations by program or activity, including State and federal match requirements.
- (2) A delineation of the proposed State and local administrative expenditures.
- (3) An identification of all new positions to be established through the Block Grant, including permanent, temporary, and time-limited positions.
- (4) A comparison of the proposed allocations by program or activity with two prior years' program and activity budgets and two prior years' actual program or activity expenditures.
- (5) A projection of current year expenditures by program or activity.
- (6) A projection of federal Block Grant funds available, including unspent federal funds from the current and prior fiscal years.

"SECTION 12I.1.(c) Changes in Federal Fund Availability. – If the Congress of the United States increases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall allocate the increase proportionally across the program and activity appropriations identified for that Block Grant in this section. In allocating an increase in federal fund availability, the Office of State Budget and Management shall not approve funding for new programs or activities not appropriated in this section.

If the Congress of the United States decreases the federal fund availability for any of the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services from the amounts appropriated in this section, the Department shall develop a plan to adjust the Block Grants based on reduced federal funding.

Notwithstanding the provisions of this subsection, for fiscal years 2015-2016 and 2016-2017, increases in the federal fund availability for the Temporary Assistance to Needy Families (TANF) Block Grant shall be used only for the North Carolina Child Care Subsidy program to pay for child care in four- or five-star-rated facilities for four-year-old children and shall not be used to supplant State funds.

Prior to allocating the change in federal fund availability, the proposed allocation must be approved by the Office of State Budget and Management. If the Department adjusts the allocation of any Block Grant due to changes in federal fund availability, then a report shall be made to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division.

"SECTION 12I.1.(d) Except as otherwise provided, appropriations from federal Block Grant funds are made for each year of the fiscal biennium ending June 30, 2017, according to the schedule enacted for State fiscal years 2015-2016 and 2016-2017 or until a new schedule is enacted by the General Assembly.

"SECTION 12I.1.(e) All changes to the budgeted allocations to the Block Grants or contingency funds and other grants related to existing Block Grants administered by the Department of Health and Human Services that are not specifically addressed in this section shall be approved by the Office of State Budget and Management, and the Office of State Budget and Management shall consult with the Joint Legislative Oversight Committee on Health and Human Services for review prior to implementing the changes. The report shall include an itemized listing of affected programs, including associated changes in budgeted allocations. All changes to the

1 budgeted allocations to the Block Grants shall be reported immediately to the Joint Legislative
2 Oversight Committee on Health and Human Services and the Fiscal Research Division. This
3 subsection does not apply to Block Grant changes caused by legislative salary increases and
4 benefit adjustments.

5 **"SECTION 12I.1.(f)** Except as otherwise provided, the Department of Health and Human
6 Services shall have flexibility to transfer funding between the Temporary Assistance for Needy
7 Families (TANF) Block Grant and the TANF Emergency Contingency Funds Block Grant so long
8 as the total allocation for the line items within those block grants remains the same.
