SECTION 1.(f) Section 14.20(e) of S.L. 2015-241 reads as rewritten:

"SECTION 14.20.(e) After July 1, 2016, the annual fee due pursuant to ~~G.S. 130A-295.8A(d1),~~G.S. 130A-295.8(d1), as enacted by Section 14.20(c) of this act, for existing sanitary landfills and transfer stations with a valid permit issued before the date this act becomes effective is equal to the applicable annual fee for the facility as set forth in G.S. 130A-295.8A(d1), as enacted by Section 14.20(c) of this act, less a permittee fee credit. A permittee fee credit exists when the life-of-site permit fee amount is greater than the time-limited permit fee amount. The amount of the permittee fee credit shall be calculated by (i) subtracting the time-limited permit fee amount from the life-of-site permit fee amount due for the same period of time and (ii) multiplying the difference by a fraction, the numerator of which is the number of years remaining in the facility's time-limited permit and the denominator of which is the total

1 number of years covered by the facility's time-limited permit. The amount of the permittee fee
2 credit shall be allocated in equal annual installments over the number of years that constitute the
3 facility's remaining life-of-site, as determined by the Department, unless the Department
4 accelerates, in its sole discretion, the use of the credit over a shorter period of time. For purposes
5 of this subsection, the following definitions apply:

- 6 (1) Life-of-site permit fee amount. – The amount equal to the sum of all annual
7 fees that would be due under the fee structure set forth in
8 G.S. 130A-295.8A(d1), as enacted by Section 14.20(c) of this act, during the
9 cycle of the facility's permit in effect on July 1, 2016.
- 10 (2) Time-limited permit fee amount. – The amount equal to the sum of the
11 application fee or renewal fee, whichever is applicable, and all annual fees paid
12 or to be paid pursuant to subsections (c) and (d) of G.S. 130A-295.8A, as
13 repealed by Section 14.20(c) of this act, during the cycle of the facility's permit
14 in effect on July 1, 2016.

15 The Department shall adopt rules to implement this subsection."

16 **SECTION 2.(a)** Section 14.20(f) of S.L. 2015-241, as amended by Section 4.9(d) of
