20 evidence-based or based on best practices.

22 services or whether the need for or nature of services is best determined on a  
23 case-by-case basis.

25 that resources vary greatly by county.

28 receive funding until the decree of adoption is finalized.
- 29 (7) The need for this State to track adoption dissolutions and disruptions.
- 30 (8) Any funding needs, including whether there is adequate funding related to  
31 adoption and post-adoption services.
- 32 (9) The need for marketing to ensure awareness of the availability and scope of  
33 post-adoption services.
