22 (a) It is declared by the General Assembly that the regulation of firearms is properly an
23 issue of general, statewide concern, and that the entire field of regulation of firearms is
24 preempted from regulation by local governments except as provided by this section.

25 (a1) The General Assembly further declares that the lawful design, marketing,
26 manufacture, distribution, sale, or transfer of firearms or ammunition to the public is not an
27 unreasonably dangerous activity and does not constitute a nuisance per se and furthermore, that
28 it is the unlawful use of firearms and ammunition, rather than their lawful design, marketing,
29 manufacture, distribution, sale, or transfer that is the proximate cause of injuries arising from
30 their unlawful use. This subsection applies only to causes of action brought under subsection
31 (g) of this section.

32 (b) Unless otherwise permitted by statute, no county or municipality, by ordinance,
33 resolution, or other enactment, shall regulate in any manner the possession, ownership, storage,
34 transfer, sale, purchase, licensing, taxation, manufacture, transportation, or registration of
35 firearms, firearms ammunition, components of firearms, dealers in firearms, or dealers in
36 handgun components or parts.

37 (c) Notwithstanding subsection (b) of this section, a county or municipality, by zoning
38 or other ordinance, may regulate or prohibit the sale of firearms at a location only if there is a
39 lawful, general, similar regulation or prohibition of commercial activities at that location.
40 Nothing in this subsection shall restrict the right of a county or municipality to adopt a general
41 zoning plan that prohibits any commercial activity within a fixed distance of a school or other
42 educational institution except with a special use permit issued for a commercial activity found
43 not to pose a danger to the health, safety, or general welfare of persons attending the school or
44 educational institution within the fixed distance.

45 (d) No county or municipality, by zoning or other ordinance, shall regulate in any
46 manner firearms shows with regulations more stringent than those applying to shows of other
47 types of items.

48 (e) A county or municipality may regulate the transport, carrying, or possession of
49 firearms by employees of the local unit of government in the course of their employment with
50 that local unit of government.

1 (f) Nothing contained in this section prohibits municipalities or counties from
2 application of their authority under G.S. 153A-129, 160A-189, 14-269, 14-269.2, 14-269.3,
3 14-269.4, 14-277.2, 14-415.11, 14-415.23, including prohibiting the possession of firearms in
4 public-owned buildings, on the grounds or parking areas of those buildings, or in public parks
5 or recreation areas, except nothing in this subsection shall prohibit a person from storing a
6 firearm within a motor vehicle while the vehicle is on these grounds or areas. Nothing
7 contained in this section prohibits municipalities or counties from exercising powers provided
8 by law in states of emergency declared under Article 1A of Chapter 166A of the General
9 Statutes.

10 (g) The authority to bring suit and the right to recover against any firearms or
11 ammunition marketer, manufacturer, distributor, dealer, seller, or trade association by or on
12 behalf of any governmental unit, created by or pursuant to an act of the General Assembly or
13 the Constitution, or any department, agency, or authority thereof, for damages, abatement,
14 injunctive relief, or any other remedy resulting from or relating to the lawful design, marketing,
15 manufacture, distribution, sale, or transfer of firearms or ammunition to the public is reserved
16 exclusively to the State. Any action brought by the State pursuant to this section shall be
17 brought by the Attorney General on behalf of the State. This section shall not prohibit a
18 political subdivision or local governmental unit from bringing an action against a firearms or
19 ammunition marketer, manufacturer, distributor, dealer, seller, or trade association for breach
20 of contract or warranty for defect of materials or workmanship as to firearms or ammunition
21 purchased by the political subdivision or local governmental unit.

22 (h) A person adversely affected by any ordinance, rule, or regulation promulgated or
23 caused to be enforced by any county or municipality in violation of this section may bring an
24 action for declaratory and injunctive relief and for actual damages arising from the violation.
25 The court shall award the prevailing party in an action brought under this subsection reasonable
26 attorneys' fees and court costs as authorized by law."

27 **SECTION 13.** Article 53B of Chapter 14 of the General Statutes is amended by
28 adding a new section to read:

33 transfer or make a firearm.

34 (2) Chief law enforcement officer. – Any official that the United States Bureau

37 certification for the transfer or making of a firearm.

38 (3) Firearm. – Any firearm that meets the definition of firearm in 26 U.S.C. §
39 5845.

40 (b) When a chief law enforcement officer's certification is required by federal law or
41 regulation for the transfer or making of a firearm, the chief law enforcement officer shall,
42 within 15 days of receipt of a request for certification, provide the certification if the applicant
43 is not prohibited by State or federal law from receiving or possessing the firearm and is not the
44 subject of a proceeding that could result in the applicant being prohibited by State or federal
45 law from receiving or possessing the firearm. If the chief law enforcement officer is unable to
46 make a certification as required by this section, the chief law enforcement officer shall provide
47 the applicant with a written notification of the denial and the reason for the denial.

48 Nothing in this section shall require a chief law enforcement officer to make a certification
49 the chief law enforcement officer knows to be untrue, but the chief law enforcement officer
50 may not refuse to provide certification based on a generalized objection to private persons or

1 entities making, possessing, or receiving firearms or any certain type of firearm the possession
2 of which is not prohibited by law.

3 (c) An applicant whose request for certification is denied may appeal the decision of the
4 chief law enforcement officer to the district court of the district in which the request for
5 certification was made. The court shall make a de novo review of the chief law enforcement
6 officer's decision to deny the certification. If the court finds that the applicant is not prohibited
7 by State or federal law from receiving or possessing the firearm, is not the subject of a
8 proceeding that could result in the applicant being prohibited by State or federal law from
9 receiving or possessing the firearm, and that no substantial evidence supports the chief law
10 enforcement officer's determination that the chief law enforcement officer cannot truthfully
11 make the certification, the court shall order the chief law enforcement officer to issue the
12 certification and award court costs and reasonable attorneys' fees to the applicant.

13 (d) Chief law enforcement officers and their employees who act in good faith are
14 immune from liability arising from any act or omission in making a certification as required by
15 this section."

20 the permit. The sheriff shall make the request for any records concerning the mental health or
21 capacity of the applicant within 15 days of receipt of the items listed in G.S. 14-415.13. A
