34 biennium for the purposes of providing Transitional Living Services through

- 1 the Youth Villages Transitional Living Model to youth aging out of foster
2 care.

4 private partners to provide independent measurement and evaluation of the
5 impact the Youth Villages Transitional Living Model has on the youth
6 served, the foster care system, and on other programs and services provided
7 by the State which are utilized by former foster care youth.
- 8 (4) Advancement of Evidence-Based Process, which is the implementation and
9 ongoing evaluation of the Youth Villages Transitional Living Model for the
10 purposes of establishing the first evidence-based transitional living program
11 in the nation. To establish the evidence-based program, additional
12 randomized controlled trials may be conducted to advance the model.
