7  
8 **PART I. DEPARTMENT OF TRANSPORTATION CHANGES**

9  
10 **DOT RESIDUE PROPERTY DISPOSAL**

11 **SECTION 1.(a)** G.S. 136-19 is amended by adding a new subsection to read:

12 "(j) Remainder properties acquired in connection with acquisition of right-of-way shall be  
13 disposed of as follows:

- 14 (1) The sale of all residues will be by public sale except as hereinafter specified.  
15 (2) Residue properties sold by public sale may be sold by sealed bid, or by auction  
16 at the election of the Right of Way Branch. The sale of such properties must be  
17 advertised by at least one of the following methods:  
18 a. Publication in a newspaper having general circulation in the county in  
19 which the property is situated.  
20 b. On a Department of Transportation Web site.  
21 c. By placement of a "For Sale" sign on the residue.  
22 (3) After opening bids or closing of auction, upset bids may be considered. The  
23 high bid shall be presented to the Board of Transportation at its next regular  
24 meeting after the date of the sale for rejection or acceptance. The Department of  
25 Transportation may reject all bids if the Department does not consider the bids  
26 to be in accord with the appraised or fair market value as determined by the  
27 Department.  
28 (4) Residue properties sold by public sale may also be sold by real estate brokers  
29 licensed in North Carolina at the election of the Chief Engineer. The highest  
30 offer to purchase shall be presented to the Board of Transportation at its next  
31 regular meeting after the acceptance of the offer to purchase. The Department  
32 of Transportation may reject all offers to purchase if the Department does not  
33 consider them to be in accord with the appraised or fair market value as  
34 determined by the Department.  
35 (5) Those residue properties located adjacent to controlled access projects that are  
36 landlocked may be sold to the adjoining property owner by negotiation rather

\* D R H 5 0 0 1 0 - R W Z - 1 A \*

1 than public sale for a consideration that is approved by the Division Right of  
2 Way Agent and the Right of Way Unit Manager.

3 (6) Residue properties may be sold to State agencies and institutions and other  
4 governmental units by negotiation rather than public sale and may be donated  
5 provided their future use is for public purposes.

6 (7) Residue acquired in connection with highway purposes may be used for the  
7 purpose of exchange with a public utility company in part or in full  
8 consideration for property to be acquired for highway purposes from the public  
9 utility company. Such exchanges shall be based on the appraised values of the  
10 surplus property and the property to be acquired for highway purposes. Residue  
11 property acquired in connection with right-of-way for a project may be used for  
12 the purpose of exchange in part or full consideration for right-of-way being  
13 acquired from another property owner on the project. Such exchanges shall be  
14 based on the appraised values of the residue property and the right-of-way to be  
15 acquired.

16 (8) Residues which have an area of one acre or less and a value of twenty-five  
17 thousand dollars (\$25,000) or less and the highest and best use is for  
18 assemblage with adjacent property may be sold without advertising by  
19 negotiations rather than public sale to an adjoining owner. The Division Right  
20 of Way Agent together with an Area Appraiser will determine the value of the  
21 residue. Factors such as the after value as indicated in the original appraisal,  
22 sales of similar properties, and sales of other residues, if any, in the area may be  
23 considered in determining the value. After a value has been established, the  
24 Division Right of Way Agent or their designee may negotiate with the  
25 adjoining owners concerning the disposal of each residue. The decision of the  
26 Division Right of Way Agent to accept and complete a sale is final.

27 (9) The Manager of Right of Way shall dispose of residues with values of less than  
28 five thousand dollars (\$5,000), as determined in accordance with subdivision  
29 (8) of this subsection, by executing and delivering on behalf of the Department  
30 of Transportation a quit claim deed to the buyers of such residues after the  
31 transactions are first approved by the Board of Transportation. Conveyances of  
32 residues with values of less than five thousand dollars (\$5,000) shall not require  
33 the approval of the Governor and Council of State.

34 (10) Residue properties or portions of residue properties acquired in connection with  
35 right-of-way for a project and located outside the right-of-way for that project  
36 may be sold by negotiation rather than by public sale to property owners and  
37 tenants who are displaced by the project for relocation of the displacee. Such  
38 sales shall be based upon the appraised value of the residue properties.

39 (11) Except as noted in this subsection, all sales of surplus lands, including, but not  
40 limited to, surplus rights-of-way, residues, and uneconomic remnants, require  
41 the approval of the Board of Transportation."
