B. The names and boundaries of voting tabulation districts, tracts, block groups, and blocks specified in this section are as shown on the 2010 Census Redistricting TIGER/Line Shapefiles. If any voting tabulation district boundary is changed, that change shall not change the boundary of a district, which shall remain the same as it is depicted by the 2010 Census Redistricting TIGER/Line Shapefiles.

C. Nothing in this section shall expand the corporate limits of the City; if this section assigns an area outside the corporate limits of the City, it shall have no effect. If this section does not specifically assign any area within the corporate limits of the City to a district, and the area is:

- (1) Entirely surrounded by a single district, the area shall be deemed to have been assigned to that district.
- (2) Contiguous to two or more districts, the area shall be deemed to have been assigned to that district which contains the least population according to the 2010 United States Census."

SECTION 3. The Legislative Services Officer shall certify a true copy of the block assignment file associated with any mapping software used to generate the language in Section 2 of this act. The certified true copy of the block assignment file shall be delivered by the Legislative Services Officer to the Davidson County Board of Elections and the City of Lexington.

SECTION 4. This act is effective when it becomes law and applies to elections held on or after that date.

In the General Assembly read three times and ratified this the 28th day of June, 2017.
