16 Any person who is denied access to a recording under this subsection, or an unredacted
17 recording under this subsection, may apply to the appropriate division of the General Court of
18 Justice for an order compelling disclosure or copying, and the court shall have jurisdiction to
19 issue the order. An action brought pursuant to this subsection shall be set down for immediate
20 hearing, and subsequent proceedings in the action shall be accorded priority by the trial and

10 (c) Other Requirements. – The requirements listed in subsections (c) through (h) of
11 G.S. 15A-202 shall apply to the use of dashboard cameras under this section. Any reference to
12 body-worn cameras in subsections (c) through (i) of G.S. 15A-202 shall be deemed to be a

47 **"§ 143-318.11. Closed sessions.**

48 (a) Permitted Purposes. – It is the policy of this State that closed sessions shall be held
49 only when required to permit a public body to act in the public interest as permitted in this
50 section. A public body may hold a closed session and exclude the public only when a closed
51 session is required:

- 1 (1) To prevent the disclosure of information that is privileged or confidential
2 pursuant to the law of this State or of the United States, or not considered a
3 public record within the meaning of Chapter 132 of the General Statutes.
- 4 (2) To prevent the premature disclosure of an honorary degree, scholarship,
5 prize, or similar award.
- 6 (3) To consult with an attorney employed or retained by the public body in order
7 to preserve the attorney-client privilege between the attorney and the public
8 body, which privilege is hereby acknowledged. General policy matters may
9 not be discussed in a closed session and nothing herein shall be construed to
10 permit a public body to close a meeting that otherwise would be open merely
11 because an attorney employed or retained by the public body is a participant.
12 The public body may consider and give instructions to an attorney
13 concerning the handling or settlement of a claim, judicial action, mediation,
14 arbitration, or administrative procedure. If the public body has approved or

26 open session.
- 27 (5) To establish, or to instruct the public body's staff or negotiating agents
28 concerning the position to be taken by or on behalf of the public body in
29 negotiating (i) the price and other material terms of a contract or proposed
30 contract for the acquisition of real property by purchase, option, exchange,
31 or lease; or (ii) the amount of compensation and other material terms of an
32 employment contract or proposed employment contract.

34 conditions of appointment, or conditions of initial employment of an
35 individual public officer or employee or prospective public officer or
36 employee; or to hear or investigate a complaint, charge, or grievance by or
37 against an individual public officer or employee. General personnel policy
38 issues may not be considered in a closed session. A public body may not
39 consider the qualifications, competence, performance, character, fitness,
40 appointment, or removal of a member of the public body or another body
41 and may not consider or fill a vacancy among its own membership except in
42 an open meeting. Final action making an appointment or discharge or
43 removal by a public body having final authority for the appointment or
44 discharge or removal shall be taken in an open meeting.
- 45 (7) To plan, conduct, or hear reports concerning investigations of alleged
46 criminal misconduct.
- 47 (8) To formulate plans by a local board of education relating to emergency
48 response to incidents of school violence or to formulate and adopt the school
49 safety components of school improvement plans by a local board of
50 education or a school improvement team.

1 (9) To discuss and take action regarding plans to protect public safety as it
2 relates to existing or potential terrorist activity and to receive briefings by

8 (c) Calling a Closed Session. – A public body may hold a closed session only upon a
9 motion duly made and adopted at an open meeting. Every motion to close a meeting shall cite
10 one or more of the permissible purposes listed in subsection (a) of this section. A motion based
11 on subdivision (a)(1) of this section shall also state the name or citation of the law that renders
12 the information to be discussed privileged or confidential. A motion based on subdivision (a)(3)
13 of this section shall identify the parties in each existing lawsuit concerning which the public
