HOUSE SIMPLE RESOLUTION DRHR40671-LG-141 (01/08)

Sponsors: Representative Davis.

Referred to:

1 A HOUSE RESOLUTION URGING CONGRESS TO ENACT LEGISLATION DIRECTING
2 A FEDERAL AGENCY TO DESIGNATE AT LEAST ONE CITY IN THE UNITED
3 STATES EACH YEAR AN "AMERICAN WORLD WAR II HERITAGE CITY," WITH
4 WILMINGTON, NORTH CAROLINA, AS THE FIRST CITY TO BE SO
5 DESIGNATED.

6 Whereas, over the past few years, several members of Congress have introduced
7 legislation directing the Secretary of Veterans Affairs to designate at least one city in the
8 United States each year as an "American World War II Heritage City" based on the fact that
9 many cities across the United States contributed to the war effort during World War II; and

10 Whereas, the legislation set out the criteria for establishing the designation to be
11 based on the following: (1) contributions by a city to the war effort during World War II,
12 including those related to defense manufacturing, bond drives, service in the Armed Forces,
13 and the presence of military facilities within the city, and (2) efforts by a city to preserve the
14 history of the city's contributions during World War II, including through the establishment of
15 preservation organizations or museums, restoration of World War II facilities, and recognition
16 of World War II veterans; and

17 Whereas, the legislation suggested that the City of Wilmington should be designated
18 as the first "American World War II Heritage City" based upon the following findings:

- 19 (1) During World War II, Wilmington was the country's unique wartime
20 boomtown, aptly and officially named "The Defense Capital of the State."
21 (2) Wilmington based and trained all five military services which were the
22 predecessor to the air force at the Wilmington Airport, the Army at Camp
23 Davis and Fort Fisher, the Navy at Fort Caswell, the Coast Guard at
24 Wrightsville Beach, and the Marine Corps at Camp Lejeune.
25 (3) The North Carolina Shipbuilding Company of Wilmington, the State's
26 largest employer at that time with 23,000 employees, constructed 243 cargo
27 vessels which provided goods and equipment to our soldiers.
28 (4) Wilmington provided the following: the Atlantic Coast Line Railroad
29 headquarters; three housing camps for German prisoners of war; a major
30 training base for P-47 fighters; defense industries that produced goods and
31 equipment; a British patrol base; and a shipping point for "Lend-Lease"
32 supplies to the Allies.
33 (5) Wilmington dispatched thousands of area men and women to fight the
34 enemy on land, sea, and air as Navy frogmen, P-51 fighter aces, Tuskegee
35 Airmen, submarine skippers, bomber pilots, Marine riflemen, Army
36 artillerymen, physicians and nurses, and volunteers of all sorts.

1 (6) The Wilmington area lost 248 men as a result of their courageous efforts to
2 defend the United States, and two New Hanover High School graduates
3 received the Congressional Medal of Honor and numerous others received
4 high decorations for valor, including the Navy Cross, Distinguished Service
5 Cross, and Distinguished Flying Cross.

6 (7) Wilmington's strategic position made it vulnerable to enemy attack by
7 German U-boats, which marauded shipping off our beaches. In July 1943, in
8 perhaps the only German attack on the United States, a U-boat fired at the
9 Ethel-Dow chemical plant in Wilmington. Wilmington endured this attack,
10 as well as constant civilian defense restrictions and air raid drills, including
11 black-outs and dim-outs. The city's population more than doubled with the
12 influx of military personnel, forcing locals to cope with strain on housing
13 and schools, transportation, medical and social services, law enforcement,
14 and food supply; and

15 Whereas, further evidence that the City of Wilmington deserves to earn the first
16 designation as an "American World War II Heritage City" include the following:

17 (1) Since 1961, Wilmington has been home to the World War II Battleship
18 North Carolina, the State's memorial to its World War II dead now expanded
19 as a memorial to its subsequent veterans, and a major tourism attraction and
20 public venue.

21 (2) Wilmington is promoted as a World War II history tourism destination.

22 (3) Wilmington has honored its two World War II Medal of Honor recipients by
23 naming a middle school, city park, and city street for them as well as
24 erecting a memorial to them at New Hanover High School.

25 (4) In 2000, Wilmington established the World War II Wilmington Home Front
26 Coalition, a nonprofit corporation, whose mission is to identify, preserve,
27 and interpret the area's rich wartime legacy.

28 (5) Wilmington has saved, renovated, and restored its World War II USO
29 building, the Hannah Block Historic USO/Community Arts Center public
30 venue, which is on the National Register of Historic Places, and celebrated
31 its 75th anniversary in 2016 with an original musical play.

32 (6) Other legacy accomplishments include memorial and markers; USO
33 style-big-band dances; veterans tributes and jamborees; national media
34 campaign including publication of two books and hundreds of articles; guide
35 maps of WWII sites and guided tours; annual Pearl Harbor
36 commemorations; exhibits; cultural and educational events; and earning
37 preservation achievement awards; and

38 Whereas, in order to preserve the City's rich heritage and vast contributions to
39 World War II, it is vital that the City of Wilmington be designated as an "American World War
40 II Heritage City"; Now, therefore,

41 Be it resolved by the House of Representatives:

42 **SECTION 1.** The House of Representatives urges Congress to enact legislation
43 directing a federal agency to designate at least one city in the United States each year as an

46 **SECTION 2.** The Principal Clerk shall transmit a copy of this resolution to each
47 member of North Carolina's congressional delegation.

48 **SECTION 3.** This resolution is effective upon adoption.
