1 A BILL TO BE ENTITLED
2 AN ACT TO APPROPRIATE FUNDS TO IMPROVE DEVELOPMENT OF THE TEACHER
3 PIPELINE.

4 Whereas, due to the extraordinary circumstances of coronavirus disease 2019
5 (COVID-19), building flexible, hybrid education programs is especially critical; and

6 Whereas, teacher effectiveness is the most important factor in delivering positive
7 student outcomes; and

8 Whereas, North Carolina is experiencing attrition of experienced, licensed teachers
9 as well as beginning teachers, which may be exacerbated by the COVID-19 crisis; and

10 Whereas, there is a particular need for diverse, high-quality teachers, especially in
11 low-performing schools and rural schools; and

12 Whereas, the North Carolina Teacher Cadet Program (NCTCP) is a successful
13 program that encourages high-achieving high school students to attend college and eventually
14 teach in North Carolina public schools; and

15 Whereas, building early interest in the teaching profession is critical to building a
16 robust teacher pipeline; and

17 Whereas, NCTCP actively engages in the following strategies:

- 18 (1) Maintaining strong partnerships with higher education institutions, including
19 The University of North Carolina, and collaborative relationships with local
20 boards of education.
- 21 (2) Offering a curriculum developed by highly qualified, licensed public school
22 teachers, including high school honors credit, approved by the Department of
23 Public Instruction.
- 24 (3) Providing learning through hands-on teaching methods and field experiences
25 delivered by educators who are required to complete teacher cadet curriculum
26 training; and

27 Whereas, the NCTCP has a well-regarded and established record of helping rural and
28 economically distressed counties to grow their own teachers from students who were born, raised,
29 and received a high school education within the same county; Now, therefore,
