28 **SECTION 1.(c)** Article 19 of Chapter 58 of the General Statutes is amended by
29 adding a new section to read as follows:

30 "**§ 58-19-38. Group-wide supervision of internationally active insurance groups.**

31 (a) In cooperation with other state, federal, and international regulatory agencies, the
32 Commissioner will identify a single group-wide supervisor for an internationally active insurance
33 group in accordance with the provisions of this section. The Commissioner is authorized to act
34 as the group-wide supervisor for any internationally active insurance group. However, the

1 Commissioner may otherwise acknowledge another regulatory official as the group-wide
2 supervisor where the internationally active insurance group meets any of the following criteria:

- 3 (1) It does not have substantial insurance operations in the United States.
- 4 (2) It has substantial insurance operations in the United States, but not in this
5 State.
- 6 (3) It has substantial insurance operations in the United States and this State, but
7 the Commissioner has determined pursuant to the factors set forth in
8 subsections (b) and (f) of this section that the other regulatory official is the
9 appropriate group-wide supervisor.

10 An insurance holding company system that does not otherwise qualify as an internationally
11 active insurance group may request that the Commissioner make a determination or
12 acknowledgment as to a group-wide supervisor pursuant to this section.

13 (b) The Commissioner shall consider all of the following factors when determining that
14 the Commissioner is the appropriate group-wide supervisor for an internationally active
15 insurance group that conducts substantial insurance operations concentrated in this State or
16 acknowledges that a regulatory official from another jurisdiction is the appropriate group-wide
17 supervisor for the internationally active insurance group:

- 18 (1) The place of domicile of the insurers within the internationally active
19 insurance group that holds the largest share of the group's written premiums,
20 assets, or liabilities.
- 21 (2) The place of domicile of the top-tiered insurer(s) in the insurance holding
22 company system of the internationally active insurance group.
- 23 (3) The location of the executive offices or largest operational offices of the
24 internationally active insurance group.
- 25 (4) Whether another regulatory official is acting or is seeking to act as the
26 group-wide supervisor under a regulatory system that the Commissioner
27 determines to have either of the following characteristics:
 - 28 a. The system is substantially similar to the system of regulation
29 provided under the laws of this State.
 - 30 b. The system is otherwise sufficient in terms of providing for
31 group-wide supervision, enterprise risk analysis, and cooperation with
32 other regulatory officials.
- 33 (5) Whether another regulatory official acting or seeking to act as the group-wide
34 supervisor provides the Commissioner with reasonably reciprocal recognition
35 and cooperation.

36 A regulatory official identified under this section as the group-wide supervisor may
37 determine that it is appropriate to acknowledge another regulatory official to serve as the
38 group-wide supervisor. The acknowledgment of the group-wide supervisor shall be made (i) after
39 consideration of the factors listed in subdivisions (1) through (5) of this subsection, (ii) in
40 cooperation with and subject to the acknowledgment of other regulatory officials involved with
41 supervision of members of the internationally active insurance group, and (iii) in consultation
42 with the internationally active insurance group.

43 (c) Notwithstanding any other provision of law, when another regulatory official is acting
44 as the group-wide supervisor of an internationally active insurance group, the Commissioner
45 shall acknowledge that regulatory official as the group-wide supervisor. However, the
46 Commissioner shall make a determination or acknowledgment as to the appropriate group-wide
47 supervisor for such an internationally active insurance group pursuant to subsection (b) of this
48 section when there is a material change in the internationally active insurance group that results
49 in either of the following:

- 50 (1) The internationally active insurance group's insurers domiciled in this State
51 holding the largest share of the group's premiums, assets, or liabilities.

1 (2) This State being the place of domicile of the top-tiered insurers in the
2 insurance holding company system of the internationally active insurance
3 group.

4 (d) Pursuant to G.S. 58-19-35, the Commissioner is authorized to collect from any insurer
5 registered pursuant to G.S. 58-19-25 all information necessary to determine whether the
6 Commissioner may act as the group-wide supervisor of an internationally active insurance group
7 or if the Commissioner may acknowledge another regulatory official to act as the group-wide
8 supervisor. Prior to issuing a determination that an internationally active insurance group is
9 subject to group-wide supervision by the Commissioner, the Commissioner shall notify the
10 insurer registered pursuant to G.S. 58-19-25 and the ultimate controlling person within the
11 internationally active insurance group. The internationally active insurance group shall have 30
12 days to provide the Commissioner with additional information pertinent to the pending
13 determination.

14 (e) If the Commissioner is the group-wide supervisor for an internationally active
15 insurance group, the Commissioner is authorized to engage in the following group-wide
16 supervision activities:

17 (1) Assess the enterprise risks within the internationally active insurance group to
18 ensure all of the following:

19 a. That the material financial condition and liquidity risks to the members
20 of the internationally active insurance group, that are engaged in the
21 business of insurance, are identified by management.

22 b. That reasonable and effective mitigation measures are in place.

23 (2) Request, from any member of an internationally active insurance group
24 subject to the Commissioner's supervision, information necessary and
25 appropriate to assess enterprise risk. This information includes information
26 about the governance, risk assessment and management, capital adequacy, and
27 material intercompany transactions of the members of the internationally
28 active insurance group.

29 (3) Coordinate and, in reliance on the authority of the regulatory officials of the
30 jurisdictions where members of the internationally active insurance group are
31 domiciled, compel development and implementation of reasonable measures
32 designed to ensure that the internationally active insurance group is able to
33 timely recognize and mitigate enterprise risks to members of the
34 internationally active insurance group that are engaged in the business of
35 insurance.

36 (4) Communicate with other state, federal, and international regulatory agencies
37 with jurisdiction over members within the internationally active insurance
38 group and share relevant information through supervisory colleges as set forth
39 in G.S. 58-19-37 or otherwise subject to the confidentiality provisions of
40 G.S. 58-19-40.

41 (5) Enter into agreements with or obtain documentation from any insurer
42 registered under G.S. 58-19-25, any member of the internationally active
43 insurance group, and any other state, federal, and international regulatory
44 agencies for members of the internationally active insurance group, providing
45 the basis for or otherwise clarifying the Commissioner's role as group-wide
46 supervisor, including provisions for resolving disputes with other regulatory
47 officials. Such agreements or documentation shall not serve as evidence in any
48 proceeding that any insurer or person within an insurance holding company
49 system not domiciled or incorporated in this State is doing business in this
50 State or is otherwise subject to jurisdiction in this State.

1 (6) Other group-wide supervision activities, consistent with the authorities and
2 purposes enumerated above, as considered necessary by the Commissioner.

3 (f) If the Commissioner acknowledges that another regulatory official from a jurisdiction
4 that is not accredited by the NAIC is the group-wide supervisor, the Commissioner is authorized
5 to reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision
6 undertaken by the group-wide supervisor, provided that both of the following conditions are met:

7 (1) The Commissioner's cooperation is in compliance with the laws of this State.

8 (2) The regulatory official acknowledged as the group-wide supervisor
9 recognizes and cooperates with the Commissioner's activities as a group-wide
10 supervisor for other internationally active insurance groups where applicable.

11 Where recognition and cooperation are not reasonably reciprocal, the Commissioner is
12 authorized to refuse recognition and cooperation.

13 (g) The Commissioner may enter into agreements with or obtain documentation from any
14 insurer registered under G.S. 58-19-25, any affiliate of the insurer, and other state, federal, and
15 international regulatory agencies for members of the internationally active insurance group that
16 provide the basis for or otherwise clarify a regulatory official's role as group-wide supervisor.

17 (h) The Commissioner may adopt rules necessary for the administration of this section.

18 (i) A registered insurer subject to this section shall be liable for and shall pay the
19 reasonable expenses of the Commissioner's participation in the administration of this section,
20 including the engagement of attorneys, actuaries, and any other professionals and reasonable
21 travel expenses."

22 **SECTION 1.(d)** G.S. 58-19-40(a) reads as rewritten:

23 "(a) Documents, materials, or other information in the possession or control of the
24 Department that are obtained by or disclosed to the Commissioner or any other person in the
25 course of an examination or investigation made pursuant to G.S. 58-19-35, and all information
26 reported or provided to the Department pursuant to subdivisions (11a) and (11b) of
27 G.S. 58-19-15(b), G.S. 58-19-25, ~~and G.S. 58-19-30,~~ G.S. 58-19-30 and G.S. 58-19-38 shall be
28 confidential by law and privileged, shall not be considered a public record under either
29 G.S. 58-2-100 or Chapter 132 of the General Statutes, shall not be subject to subpoena, and shall
30 not be subject to discovery or admissible in evidence in any private civil action. However, the
31 Commissioner is authorized to use the documents, materials, or other information in the
32 furtherance of any regulatory or legal action brought as a part of the Commissioner's official
33 duties. The Commissioner shall not otherwise make the documents, materials, or other
34 information public without the prior written consent of the insurer to which it pertains unless the
35 Commissioner, after giving the insurer and its affiliates who would be affected thereby notice
36 and opportunity to be heard, determines that the interest of policyholders, shareholders, or the
37 public will be served by the publication thereof, in which event the Commissioner may publish
38 all or any part of the information in such manner as may be deemed appropriate."
39

40 **PART II. OVERSIGHT OF INTERNAL AUDIT FUNCTIONS OF INSURERS OR** 41 **GROUPS OF INSURERS**

42 **SECTION 2.(a)** G.S. 58-10-190(3) reads as rewritten:

43 "(3) "Audit committee" means a committee, or equivalent body, established by the
44 board of directors of an entity for the purpose of overseeing the accounting
45 and financial reporting processes of an insurer or group of ~~insurers~~-insurers,
46 any internal audit function of the insurer or group of insurers, and external
47 audits of financial statements of the insurer or group of insurers. The audit
48 committee of any entity that controls a group of insurers may be deemed to be
49 the audit committee for one or more of these controlled insurers at the election
50 of the controlling person as provided in G.S. 58-10-245(f). If an audit

1 committee is not designated by the insurer, the insurer's entire board of
2 directors shall constitute the audit committee."

3 **SECTION 2.(b)** G.S. 58-10-190 is amended by adding a new subdivision to read:

4 "(6a) "Internal audit function" means a person or persons that provide independent,
5 objective, and reasonable assurance designed to add value and improve an
6 organization's operations and accomplish its objectives by bringing a
7 systematic, disciplined approach to evaluate and improve the effectiveness of
8 risk management, control, and governance processes."

9 **SECTION 2.(c)** G.S. 58-10-245 is amended by adding a new subsection to read:

10 "(b1) The audit committee of an insurer or group of insurers shall be responsible for
11 overseeing the insurer's internal audit function and granting the person or persons performing the
12 function suitable authority and resources to fulfill the requirements of G.S. 58-10-246."

13 **SECTION 2.(d)** Article 10 of Chapter 58 of the General Statutes is amended by
14 adding a new section to read as follows:

15 **"§ 58-10-246. Internal audit function requirements.**

16 (a) Exemption. – An insurer is exempt from the requirements of this section if both of
17 the following apply:

18 (1) The insurer has annual direct written and unaffiliated assumed premium,
19 including international direct and assumed premium, but excluding premiums
20 reinsured with the Federal Crop Insurance Corporation and Federal Flood
21 Program, less than five hundred million dollars (\$500,000,000).

22 (2) If the insurer is a member of a group of insurers, the group has annual direct
23 written and unaffiliated assumed premium including international direct and
24 assumed premium, but excluding premiums reinsured with the Federal Crop
25 Insurance Corporation and Federal Flood Program, less than one billion
26 dollars (\$1,000,000,000).

27 (b) Function. – The insurer or group of insurers shall establish an internal audit function
28 providing independent, objective, and reasonable assurance to the audit committee and insurer
29 management regarding the insurer's governance, risk management, and internal controls. This
30 assurance shall be provided by performing general and specific audits, reviews, and tests and by
31 employing other techniques deemed necessary to protect assets, evaluate control effectiveness
32 and efficiency, and evaluate compliance with policies and regulations.

33 (c) Independence. – In order to ensure that internal auditors remain objective, the internal
34 audit function must be organizationally independent. For purposes of this section,
35 "organizationally independent" means that the internal audit function (i) shall not defer ultimate
36 judgment on audit matters to others and (ii) shall appoint an individual to head the internal audit
37 function who will have direct and unrestricted access to the board of directors of the insurer or
38 group of insurers. Organizational independence does not preclude dual-reporting relationships.

39 (d) Reporting. – The head of the internal audit function shall report to the audit committee
40 with a frequency no less than annually on the periodic audit plan, factors that may adversely
41 impact the internal audit function's independence or effectiveness, material findings from
42 completed audits, and the appropriateness of corrective actions implemented by management as
43 a result of audit findings.

44 (e) Additional Requirements. – If an insurer is a member of an insurance holding
45 company system or included in a group of insurers, the insurer may satisfy the internal audit
46 function requirements set forth in this section at the ultimate controlling parent level, an
47 intermediate holding company level, or the individual legal entity level."

48 **SECTION 2.(e)** G.S. 58-10-260 is amended by adding a new subsection to read:

50 group of insurers exempt from G.S. 58-10-246 that no longer meets the threshold for exemption

1 shall have one calendar year after the year the threshold is exceeded to comply with the
2 requirements of that section.

4 **PART III. CORPORATE GOVERNANCE ANNUAL DISCLOSURE**

15 disclosure with the Commissioner.
- 16 (3) Provide for the confidential treatment of the corporate governance annual

20 potentially cause the insurer or insurance group competitive harm or
21 disadvantage.
- 22 (4) Set forth the procedures for filing and the required contents of the Corporate
23 Governance Annual Disclosure.

24 (b) Nothing in this Part shall be construed to prescribe or impose corporate governance
25 standards and internal procedures beyond that which is required under applicable state corporate
26 law. Notwithstanding the foregoing, nothing in this Part shall be construed to limit the
27 Commissioner's authority, or the rights or obligations of third parties, under G.S. 58-2-131
28 through G.S. 58-2-134.

29 (c) The requirements of this Part shall apply to all insurers domiciled in this State.

49 (a) An insurer, or the insurance group of which the insurer is a member, shall, no later
50 than June 1 of each calendar year, submit to the Commissioner a CGAD that contains the
51 information described in G.S. 58-10-775. Notwithstanding any request from the Commissioner

1 made pursuant to subsection (c) of this section, if the insurer is a member of an insurance group,
2 the insurer shall submit the report required by this section to the Commissioner of the lead state
3 for the insurance group, in accordance with the laws of the lead state, as determined by the
4 procedures outlined in the most recent Financial Analysis Handbook adopted by the NAIC. In
5 these instances, a copy of the CGAD must also be provided, upon request, to the chief regulatory
6 official of any state in which the insurance group has a domestic insurer.

7 (b) The CGAD must include a signature of the insurer's or insurance group's chief
8 executive officer or corporate secretary attesting to the best of that individual's belief and
9 knowledge that the insurer or insurance group has implemented the corporate governance
10 practices and that a copy of the disclosure has been provided to the insurer's or insurance group's
11 board of directors or the appropriate committee thereof.

12 (c) An insurer not required to submit a CGAD under this section shall do so upon the
13 Commissioner's request.

14 (d) The insurer or insurance group shall have discretion regarding the appropriate format
15 for providing the required information and may customize the CGAD to provide the most
16 relevant information necessary to permit the Commissioner to gain an understanding of the
17 corporate governance structure, policies, and practices utilized by the insurer or insurance group.

18 (e) For purposes of completing the CGAD, the insurer or insurance group may provide
19 information regarding corporate governance at the ultimate controlling parent level, an
20 intermediate holding company level, or the individual legal entity level, depending upon how the
21 insurer or insurance group has structured its system of corporate governance. The insurer or
22 insurance group is encouraged to make the CGAD disclosures (i) at the level at which the
23 insurer's or insurance group's risk appetite is determined, (ii) at the level at which the earnings,
24 capital, liquidity, operations, and reputation of the insurer are overseen collectively and at which
25 the supervision of those factors are coordinated and exercised, or (iii) at the level at which legal
26 liability for failure of general corporate governance duties would be placed. If the insurer or
27 insurance group determines the level of reporting based on these criteria, it shall indicate which
28 of the three criteria was used to determine the level of reporting and explain any subsequent
29 changes in level of reporting.

30 (f) The review of the CGAD and any additional requests for information shall be made
31 through the lead state as determined by the procedures within the most recent Financial Analysis
32 Handbook adopted by the NAIC.

33 (g) An insurer or insurance group providing information substantially similar to the
34 information required by this Part in other documents provided to the Commissioner, including
35 proxy statements filed in conjunction with Form B requirements, or other state or federal filings
36 provided to the Commissioner, shall not be required to duplicate that information in the CGAD,
37 but shall only be required to cross reference the document in which the information is included.
38 The insurer or insurance group shall clearly reference the location of the relevant information
39 within the CGAD and attach the referenced document if it is not already filed or available to the
40 Commissioner.

41 (h) Each year following the initial filing of the CGAD, the insurer or insurance group
42 shall file an amended version of the previously filed CGAD indicating where changes have been
43 made. If no changes were made in the information or activities reported by the insurer or
44 insurance group, the filing shall so state.

45 **"§ 58-10-770. Rules and regulations.**

46 The Commissioner may adopt such rules and issue such orders as shall be necessary to carry
47 out the provisions of this Part.

48 **"§ 58-10-775. Contents of corporate governance annual disclosure.**

49 (a) The insurer or insurance group shall have discretion over the responses to the CGAD
50 inquiries, provided the CGAD shall contain the material information necessary to permit the
51 Commissioner to gain an understanding of the insurer's or insurance group's corporate

1 governance structure, policies, and practices. The Commissioner may request additional
2 information that he or she deems material and necessary to provide the Commissioner with a
3 clear understanding of the corporate governance policies, the reporting or information system, or
4 controls implementing those policies.

5 (b) Notwithstanding subsection (a) of this section, the CGAD shall be prepared consistent
6 with this Part. Documentation and supporting information shall be maintained and made
7 available upon examination or upon request of the Commissioner.

8 (c) The insurer or insurance group shall be as descriptive as possible in completing the
9 CGAD, with inclusion of attachments or example documents that are used in the governance
10 process that may provide a means to demonstrate the strengths of their governance framework
11 and practices.

12 (d) The CGAD shall describe the insurer's or insurance group's corporate governance
13 framework and structure, including consideration of all of the following:

14 (1) The board of directors and various committees thereof ultimately responsible
15 for overseeing the insurer or insurance group and the level at which that
16 oversight occurs, such as the ultimate control level, intermediate holding
17 company level, or legal entity level. The insurer or insurance group shall
18 describe and discuss the rationale for the current board of directors' size and
19 structure.

44 and the performance of its committees, as well as any recent measures taken
45 to improve performance, including any board of directors or committee
46 training programs that have been put in place.

47 (f) The insurer or insurance group shall describe the policies and practices for directing
48 senior management, including a description of each of the following factors:

49 (1) Any processes or practices, such as suitability standards, to determine whether
50 officers and key persons in control functions have the appropriate background.

18 discussed include the following:
- 19 a. The board of directors' role in overseeing management compensation
20 programs and practices.
- 21 b. The various elements of compensation awarded in the insurer's or
