 22 and consuming public, appear before State and federal courts and agencies in
 23 matters affecting public utility service.

24"

25 **SECTION 4.** G.S. 62-20 reads as rewritten:

26 **"§ 62-20. Participation by Attorney General in Commission proceedings.**

27 The Attorney General may intervene, when he deems it to be advisable in the public interest,
 28 in proceedings before the Commission on behalf of the using and consuming public, including
 29 utility users generally and agencies of the State. The Attorney General may institute and originate
 30 proceedings before the Commission in the name of the State, its agencies or citizens, in matters
 31 within the jurisdiction of the Commission. The Attorney General may appear before such State
 32 and federal courts and agencies as he deems it advisable in matters affecting public utility
 33 services. In the performance of his responsibilities under this section, the Attorney General shall
 34 have the right to employ expert witnesses, and the compensation and expenses therefor shall be
 35 paid from the Contingency and Emergency Fund. ~~The~~ Upon request, the Commission shall
 36 furnish the Attorney General with copies of all applications, petitions, pleadings, order and
 37 decisions filed with or entered by the Commission. The Attorney General shall have access to all
 38 books, papers, studies, reports and other documents filed with the Commission."

39 **SECTION 5.** G.S. 62-34 reads as rewritten:

40 **"§ 62-34. To investigate companies under its control; visitation and inspection.**

41 ...
 42 (c) The Public Staff shall have the right to examine confidential information as defined
 43 in G.S. 132-1.2 in exercising any power or performing any duty authorized by this Chapter. The
 44 Public Staff shall not disclose confidential information except as authorized by (i) the person or
 45 entity having the right to assert confidentiality, (ii) the Commission, or (iii) a court of competent
 46 jurisdiction. Any information not designated in writing as confidential by the person or entity
 47 disclosing it to the Public Staff is subject to disclosure. Any dispute about whether information
 48 has been properly designated as confidential shall be determined by the Commission upon motion
 49 and response of interested parties. Information shall be considered confidential only to the extent
 50 provided by general law."

51 **SECTION 6.** G.S. 62-39 reads as rewritten:

1 **"§ 62-39. To regulate crossings of telephone, telegraph, electric power lines and pipelines**
2 **and rights-of-way of railroads and other utilities by another utility.**

3 ...

4 (d) This section shall not be construed to limit the right of eminent domain conferred
5 upon public utilities and electric membership corporations by the laws of this State or to limit the
6 right and duty conferred by law with respect to crossing of railroads and ~~highways or railroads~~
7 ~~crossing railroads, highways,~~ but the duty imposed and the remedy given by this section shall be
8 in addition to other duties and remedies now prescribed by law. Any party shall have the right of
9 appeal from any final order or decision or determination of the Commission as provided by law
10 for appeals from orders or decisions or final determinations of the Commission."

11 **SECTION 7.** G.S. 62-49 reads as rewritten:

12 **"§ 62-49. Publication of utilities laws.**

13 The Commission is authorized and directed to secure publication of all North Carolina laws
14 affecting public utilities, together with the Commission rules and regulations, in an annotated
15 edition, and the Commission may adopt rules for distribution of said ~~publication, and shall~~
16 ~~publish biennial supplements to said utilities laws containing all amendments and additions~~
17 ~~thereto, publication~~ and may republish said laws at such times as may be reasonable and
18 necessary."

19 **SECTION 8.** G.S. 62-74 reads as rewritten:

20 **"§ 62-74. Complaints by public utilities.**

21 Any public utility shall have the right to ~~complain~~ file a complaint against any other public
22 utility or any person on any of the grounds upon which complaints are allowed to be filed by
23 other parties, and the same procedure shall be adopted and followed as in other cases, except that
24 the complaint and notice of hearing shall be served by the Commission upon such interested
25 persons as it may designate."

26 **SECTION 9.** G.S. 62-79 reads as rewritten:

27 **"§ 62-79. Final orders and decisions; findings; service; compliance.**

28 ...

29 (b) A copy of every final order or decision under the seal of the Commission shall be
30 served ~~by registered or certified mail in the manner prescribed by the Commission~~ upon the
31 person against whom it runs or his attorney and notice thereof shall be given to the other parties
32 to the proceeding or their attorney. Such order shall take effect and become operative when issued
33 unless otherwise designated therein and shall continue in force either for a period which may be
34 designated therein or until changed or revoked by the Commission. If an order cannot, in the
35 judgment of the Commission, be complied with within the time designated therein, the
36 Commission may grant and prescribe such additional time as in its judgment is reasonably
37 necessary to comply with the order, and may, on application and for good cause shown, extend
38 the time for compliance fixed in its order."

39 **SECTION 10.** G.S. 62-81 reads as rewritten:

40 **"§ 62-81. Special procedure in hearing and deciding rate cases.**

41 (a) All cases or proceedings, declared to be or properly classified as general rate cases
42 under G.S. 62-137, or any proceedings which will substantially affect any utility's overall level
43 of earnings or rate of return, shall be set for trial or hearing by the Commission, which trial or
44 hearing shall be set to commence within ~~six months~~ 180 days of the institution or filing ~~thereof,~~
45 ~~and all such cases or proceedings shall be tried or heard and decided, with the issuance of a final~~
46 ~~order, by the Commission within nine months of the institution or filing thereof. thereof.~~ All such
47 cases or proceedings shall be tried or heard and decided in accordance with the rate-making
48 procedure set forth in G.S. 62-133 and such cases shall be given priority over all other cases or
49 proceedings pending before the Commission. In all such cases the Commission shall make a
50 transcript of the evidence and testimony presented and received by it and shall furnish a copy

1 thereof to any party so requesting by the third business day after the taking of such evidence and
2 testimony.

3 (b) Any public utility filing or applying for an increase in rates for electric, telephone,
4 natural ~~gas or water~~ gas, water, or sewer service shall notify its customers proposed to be affected
5 by such increase of such filing by regular mail or by newspaper publications, as directed by the
6 Commission, within 30 days of such filing, which notice shall state that the Commission shall
7 set and shall conduct a trial or hearing with respect to such filing or application within six months
8 of said filing date. All other public utilities shall give such notice in such manner as shall be
9 prescribed by the Commission.

10 ...

11 (d) In all proceedings for an increase in rates and all other proceedings declared to be
12 general rate cases under G.S. 62-137, the Commission shall conduct the hearing or portions of
13 the hearing within the area of the State served by the public utility whose rates are under
14 consideration, provided this subsection shall not apply to proceedings held pursuant to ~~G.S.~~
15 ~~62-134(e) and 62-133(f).~~ G.S. 62-133.2 and G.S. 62-133.4.

16 (e) ~~Notwithstanding the provisions of this section, application by any public utility for~~
17 ~~permission and authority to adjust its rates and charges based solely upon the cost of fuel used in~~
18 ~~the generation or production of electric power shall be determined in accordance with the~~
19 ~~provisions of G.S. 62-134(e).~~

20"

21 **SECTION 11.** G.S. 62-110.1 reads as rewritten:

22 **"§ 62-110.1. Certificate for construction of generating facility; analysis of long-range needs**
23 **for expansion of facilities; ongoing review of construction costs; inclusion of**
24 **approved construction costs in rates.**

25 ...

26 (c) The Commission shall develop, publicize, and keep current an analysis of the
27 long-range needs for expansion of facilities for the generation of electricity in North Carolina,
28 including its estimate of the probable future growth of the use of electricity, the probable needed
29 generating reserves, the extent, size, mix and general location of generating plants and
30 arrangements for pooling power to the extent not regulated by the Federal Energy Regulatory
31 Commission and other arrangements with other utilities and energy suppliers to achieve
32 maximum efficiencies for the benefit of the people of North Carolina, and shall consider such
33 analysis in acting upon any petition by any utility for construction. In developing such analysis,
34 the Commission ~~shall~~ shall, as it deems necessary, confer and consult with the public utilities in
35 North Carolina, the utilities commissions or comparable agencies of neighboring states, the
36 Federal Energy Regulatory Commission and other agencies having relevant information and may
37 participate as it deems useful in any joint boards investigating generating plant sites or the
38 probable need for future generating facilities. In addition to such reports as public utilities may
39 be required by statute or rule of the Commission to file with the Commission, any such utility in
40 North Carolina may submit to the Commission its proposals as to the future needs for electricity
41 to serve the people of the State or the area served by such utility, and insofar as practicable, each
42 such ~~utility~~ utility, the Public Staff, and the Attorney General may attend or be represented at any
43 formal conference conducted by the Commission in developing a plan for the future requirements
44 of electricity for North Carolina or this region. In the course of making the analysis and
45 developing the plan, the Commission shall conduct one or more public hearings. Each year, the
46 Commission shall submit to the Governor and to the appropriate committees of the Joint
47 Legislative Oversight Committee on Agriculture and Natural and Economic Resources, the
48 chairs of the Senate Appropriations Committee on Agriculture, Natural, and Economic
49 Resources, and the chairs of the House of Representatives Appropriations Committee on
50 Agriculture and Natural and Economic Resources a report of its analysis and plan, the progress

1 to date in carrying out such plan, and the program of the Commission for the ensuing year in
2 connection with such plan.

3"

4 **SECTION 12.** G.S. 62-111 reads as rewritten:

5 **"§ 62-111. Transfers of franchises; mergers, consolidations and combinations of public**
6 **utilities.**

7 ...

8 (d) No person shall obtain a franchise or certificate for the purpose of transferring the
9 same to another, and an offer of such transfer within one year after the same was obtained shall
10 be prima facie evidence that such franchise or certificate was obtained for the purpose of sale.

11"

12 **SECTION 13.** G.S. 62-130(c) is repealed.

13 **SECTION 14.** G.S. 62-133.4 reads as rewritten:

14 **"§ 62-133.4. Gas cost adjustment for natural gas local distribution companies.**

15 ...

16 (c) Each natural gas local distribution company shall submit to the Commission
17 information and data for an historical 12-month test period concerning the utility's actual cost of
18 gas, volumes of purchased gas, sales volumes, negotiated sales volumes, and transportation
19 volumes. This information and data shall be filed on an annual basis in the form and detail and
20 at the time required by the Commission. The Commission, upon notice and hearing, shall
21 compare the utility's prudently incurred costs with costs recovered from all the utility's customers
22 that it served during the test period. If those prudently incurred costs are greater or less than the
23 recovered costs, the Commission shall, subject to G.S. 62-158, require the utility to refund any
24 overrecovery by credit to bill or through a decrement in its rates and shall permit the utility to
25 recover any deficiency through an increment in its rates. If the Commission finds the
26 overrecovery or deficiency has been or is likely to be substantially reduced, negated, or reversed
27 before or during the period in which it would be credited or recovered, the Commission, in its
28 discretion, may order the utility to make an appropriate adjustment or no adjustment to its rates,
29 consistent with the public interest.

30"

31 **SECTION 15.** G.S. 62-133.10 is repealed.

32 **SECTION 16.** G.S. 62-140 reads as rewritten:

33 **"§ 62-140. Discrimination prohibited.**

34 ...

35 (c) No public utility shall offer or pay any compensation or consideration or furnish any
36 equipment to secure the installation or adoption of the use of such utility service except upon
37 filing of a schedule of such compensation or consideration or equipment to be furnished and
38 approved thereof by the Commission, and offering such compensation, consideration or
39 equipment to all persons within the same classification using or applying for such public utility
40 service; provided, in considering the reasonableness of any such schedule filed by a public utility
41 the Commission shall consider, among other things, evidence of consideration or compensation
42 paid by any competitor, regulated or nonregulated, of the public utility to secure the installation
43 or adoption of the use of such competitor's service. ~~Provided, further, that nothing herein shall~~
44 ~~prohibit a public utility from carrying out any contractual commitment in existence at the time~~
45 ~~of the enactment hereof, so long as such program does not extend beyond December 31, 1963.~~
46 For the purpose of this subsection, "public utility" shall include any electric membership
47 corporation operating within this State, and the terms "utility service" and "public utility service"
48 shall include the service rendered by any such electric membership corporation."

49 **SECTION 17.** G.S. 62-280.1 reads as rewritten:

50 **"§ 62-280.1. False representation of household goods carrier certificate unlawful.**

51 ...

1 (b) Any person who violates subsection (a) of this section or who knowingly aids and
2 abets another person in violating subsection (a) of this section shall be guilty of a Class 3
3 misdemeanor and punished only by a fine of not more than five hundred dollars (\$500.00) for
4 the first offense and not more than two thousand dollars (\$2,000) for any subsequent offense.

5 ...
6 (d) Notwithstanding the provisions of G.S. 20-383 to the contrary, any law enforcement
7 officer with territorial jurisdiction is authorized to enforce the provisions of this section."

8 **SECTION 18.** G.S. 62-300 reads as rewritten:

9 **"§ 62-300. Particular fees and charges fixed; payment.**

10 (a) The Commission shall receive and collect the following fees and charges in
11 accordance with the classification of utilities as provided in rules and regulations of the
12 Commission, and no others:

13 ...
14 (5) With each application for a certificate of public convenience and necessity or
15 for any amendment thereto so as to extend or enlarge the scope of operations
16 thereunder, the fee shall be two hundred fifty dollars (\$250.00) for Class A
17 utilities, one hundred dollars (\$100.00) for Class B utilities, and twenty-five
18 dollars (\$25.00) for Class C and D utilities and ~~twenty-five dollars (\$25.00)~~
19 two hundred fifty dollars (\$250.00) for any other person seeking a certificate
20 of public convenience and necessity.

21"

22 **SECTION 19.** G.S. 143-166.13 reads as rewritten:

23 **"§ 143-166.13. Persons entitled to benefits under Article.**

24 (a) The following persons who are subject to the Criminal Justice Training and Standards
25 Act are entitled to benefits under this Article:

26 ...
27 (14) ~~Utilities Commission Transportation Inspectors and Special Investigators;~~

28"

29 **SECTION 20.** G.S. 143B-963 reads as rewritten:

30 **"§ 143B-963. Criminal history record checks of applicants for and current holders of**
31 **certificate to transport household goods.**

32 (a) The Department of Public Safety may provide to the Utilities Commission from the
33 State and National Repositories of Criminal Histories the criminal history of any applicant for or
34 current holder of a certificate to transport household goods. Along with the request, the
35 Commission shall provide to the Department of Public Safety the fingerprints of the applicant or
36 current holder, a form signed by the applicant or current holder consenting to the criminal history
37 record check and use of fingerprints and other identifying information required by the State and
38 National Repositories of Criminal Histories, and any additional information required by the
39 Department of Public Safety. The applicant's or current holder's fingerprints shall be forwarded
40 to the State Bureau of Investigation for a search of the State's criminal history record file, and the
41 State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of
42 Investigation for a national criminal history record check. The Utilities Commission shall keep
43 all information obtained pursuant to this section confidential. The Department of Public Safety
44 may charge a fee to offset the cost incurred by it to conduct a criminal history record check under
45 this section. The fee shall not exceed the actual cost of locating, editing, researching, and
46 retrieving the information. The Department of Public Safety shall send a copy of the results of
47 the criminal history record checks directly to the Utilities Commission Chief Clerk.

48 (b) The Utilities Commission may provide the information obtained pursuant to
49 subsection (a) of this section to the Public Staff for use in proceedings before the Commission.
50 The Public Staff shall keep all information obtained pursuant to subsection (a) of this section
51 confidential."

2 "**§ 156-91. Manner of construction across railroad.**

3 ...

4 **(b) Utilities Commission to Settle.**— ~~If the superintendent of construction and the railroad~~
5 ~~company shall not be able to agree as to the exact time at which such work can be done, including~~
6 ~~the time of beginning and the time to be consumed in such work, either party may give written~~
7 ~~notice thereof to the chairman of the Utilities Commission of the State, and thereupon the Utilities~~
8 ~~Commission shall cause an investigation to be made, and, after hearing both parties, shall fix the~~
9 ~~time of beginning such work and the time to be consumed in the work of construction, and the~~
10 ~~final determination of the Utilities Commission thereon shall be binding upon the superintendent~~
11 ~~of construction representing the district and the railroad company, and the work shall be done in~~
12 ~~such time as may be fixed by the Utilities Commission.~~

13 "

14 **SECTION 22.** (a) Notwithstanding G.S. 126-4(1), G.S. 126-4(2), or any other
15 provision of law, for the 2019-2020 fiscal year, the Utilities Commission and Public Staff shall
16 have the sole authority and discretion to take the following actions concerning the classification
17 of positions of and the salaries for employees of the Utilities Commission and Public Staff:

18 (1) Classify new positions or reclassify existing positions, including vacant
19 positions, within the classification system adopted by the State Human
20 Resources Commission or as otherwise provided by law.

21 (2) Determine the appropriate salary for employees, provided funding is available
22 and the salary remains within the minimum and maximum range of the salary
23 range associated with the position classification or as otherwise provided by
24 law.

25 (3) Make hiring decisions based on the flexibility authorized by this section.

26 (b) Upon request, the Office of State Human Resources and the Human Resources
27 Director of the Department of Commerce shall assist the Commission and Public Staff in taking
28 the actions authorized in subsection (a) of this section.

29 (c) The Commission may use available funds to contract with a qualified consultant to
30 study the appropriate job classifications and salaries for employees of the Commission and Public
31 Staff, including an analysis of market rates for employees with utility regulatory experience to
32 determine whether current employees are classified and compensated appropriately. The study
33 shall be completed no later than October 1, 2019. The Commission and Public Staff shall
34 implement the recommendations of the study consistent with the flexibility granted in subsection
35 (a) of this section.

36 (d) By March 1, 2020, the Commission and Public Staff shall report to the House
37 Committee on Energy and Public Utilities and the Fiscal Research Division on the following:

38 (1) The results of the study authorized under subsection (c) of this section.

39 (2) The number of classification actions and salary adjustments made under
40 subsection (a) of this section.

41 (3) The need to continue the flexibility authorized under this section, the length
42 of any proposed flexibility continuation, and any recommendations on
43 changes that should be made to the proposed flexibility continuation.

44 **SECTION 23.** The Revisor of Statutes is authorized to substitute the term "Public
45 Staff" for the term "public staff" wherever the term appears in Chapter 62 of the General Statutes.

46 **SECTION 24.** This act is effective when it becomes law.
