17 **SECTION 1.1.(b)** State funds, as defined in G.S. 143C-1-1(d)(25), are appropriated

24 **SECTION 2.1.(a)** Effective July 1, 2019, a State employee who (i) is employed in a
25 position based in one or more State adult correctional facilities and (ii) was employed in a
26 State-funded position on June 30, 2019, is awarded:

- 27 (1) A legislative salary increase in the amount of two and one-half percent (2.5%)

2 **SECTION 2.1.(b)** Part-time employees shall receive the increases authorized by this
3 section on a prorated and equitable basis.

4 **SECTION 2.1.(c)** No eligible State-funded employee shall be prohibited from
5 receiving the full salary increases provided in this section solely because the employee's salary

7 the State Human Resources Commission.

8 **SECTION 2.2.** The legislative salary increases provided by this act in each year of
9 the 2019-2021 fiscal biennium do not apply to persons separated from service due to resignation,
10 dismissal, reduction in force, death, or retirement or whose last workday is prior to June 30, 2019,
11 for the 2019-2020 fiscal year or June 30, 2020, for the 2020-2021 fiscal year. For the 2019-2021

13 respectively, that represent payment of services provided prior to July 1 of each year shall not be
14 eligible for salary increases provided for in this act.

15 **SECTION 2.3.** Funds appropriated by this act may not be used to adjust the budgeted
16 salaries of vacant positions, to provide salary increases in excess of those required by the General

19 **SECTION 2.4.** Any funds appropriated for legislatively mandated salary increases

36 employee is required to staff a higher custody level facility for any period of time, the employee
37 shall receive a pay differential applied to their base salary for the period of time the employee
38 worked at the higher custody level facility, as follows:

- 39 (1) For employees assigned to minimum custody facilities that are required to
40 staff medium custody facilities, the pay differential is ten percent (10%).
41 (2) For employees assigned to medium custody facilities that are required to staff
42 close custody facilities, the pay differential is ten percent (10%).
43 (3) For employees assigned to minimum custody facilities that are required to
44 staff close custody facilities, the pay differential is twenty percent (20%).
45

46 **PART IV. CORRECTIONAL FACILITY HIGH-NEED SALARY SUPPLEMENTS**

47 **SECTION 4.1.(a)** Employees of the Department of Public Safety (Department)
48 serving in high-need correctional facilities having the highest numbers of vacant positions are
49 eligible to receive flat-dollar salary supplements, payable monthly, for up to a two-year period.

50 **SECTION 4.1.(b)** The base supplement rate shall be an amount calculated by the
51 Department based on the requirements of this section. The minimum base supplement rate that

1 shall be provided to employees serving in a high-need correctional facility is two thousand five
2 hundred dollars (\$2,500) annually.

3 **SECTION 4.1.(c)** There are three levels of high-need correctional facilities based
4 upon the facility's respective staffing difficulty:

5 (1) Level I – If the correctional facility has had a vacancy rate of at least twenty
6 percent (20%) for at least 12 months in the prior biennium, employees
7 assigned to this facility shall receive a salary supplement equal to the base
8 supplement rate.

9 (2) Level II – If the correctional facility has had a vacancy rate of at least
10 twenty-five percent (25%) for at least 12 months in the prior biennium,
11 employees assigned to this facility shall receive a salary supplement equal to
12 twice the base supplement rate.

13 (3) Level III – If the correctional facility has had a vacancy rate of at least thirty
14 percent (30%) for at least 12 months in the prior biennium, employees
15 assigned to this facility shall receive a salary supplement equal to three times
16 the base supplement rate.

17 **SECTION 4.1.(d)** The salary supplement rates assigned to each high-need
18 correctional facility at the beginning of each fiscal biennium by the Department shall remain in
19 effect for the facility throughout the respective fiscal biennium. The Department shall
20 re-designate high-need facilities at the beginning of each subsequent fiscal biennium based on
21 the criteria in subsections (b) and (c) of this section.

22 **SECTION 4.1.(e)** The Department may exclude a facility from eligibility to
23 prioritize larger supplements to greater-need facilities or if the vacancy rate does not accurately
24 reflect a facility's actual staffing needs. The Department may assign a lower level to a facility if
25 the assignment would more accurately reflect the facility's needs. The Department shall not
26 provide supplements in facilities that do not meet the minimum criteria specified in subsection
27 (c) of this section.

28 **SECTION 4.1.(f)** Funds appropriated for high-need facility salary supplements may
29 only be expended for that purpose. At the end of each fiscal year, any remaining funding
30 appropriated for the supplements shall be distributed proportionally to employees at high-need
31 facilities who were employed at a designated facility for the entire fiscal year.

32 **SECTION 4.1.(g)** Notwithstanding G.S. 135-1(7a), the supplements awarded
33 pursuant to this section are not compensation under Article 1 of Chapter 135 of the General
34 Statutes, Retirement System for Teachers and State Employees.

35 36 **PART V. SPECIAL ANNUAL LEAVE**

37 **SECTION 5.1.** Special Annual Leave. – Any person who is (i) employed in an adult
38 correctional facility as a full-time permanent employee of the Department of Public Safety on
39 July 1, 2019, and (ii) eligible to earn annual leave shall have a one-time additional five days of
40 annual leave credited on July 1, 2019.

41 The additional leave granted in this section shall be accounted for separately in the
42 same manner as the leave provided by Section 35.26 of S.L. 2018-5 and shall remain available
43 during the length of the employee's employment, notwithstanding any other limitation on the
44 total number of days of annual leave that may be carried forward. Part-time permanent employees
45 shall receive a pro rata amount of the five days awarded by this section.

46 The additional leave awarded under this section has no cash value and is not eligible
47 for cash in. If not used prior to the time of separation or retirement, the bonus leave cannot be
48 paid out and is lost.

49 Notwithstanding any provision of G.S. 126-8 to the contrary, any vacation leave
50 remaining on December 31 of each year in excess of 30 days shall be reduced by the number of
51 days awarded in this section that were actually used by the employee during the year, such that

1 the calculation of vacation leave days that would convert to sick leave shall reflect a deduction
2 of those days of special annual leave awarded in this section that were used by the employee
3 during the year.

4 The number of days awarded by this section that carry forward to each following year
5 shall equal the number of days awarded in this section remaining on December 31 of each year
6 plus the number of days awarded in this section that were deducted from vacation leave in excess
7 of 30 days for the calculation of sick leave.

8 No employee may be required to take the additional leave awarded by this section.
9

10 **PART VI. STATE BUDGET ACT APPLICABILITY**

11 **SECTION 6.1.** If any provision of this act and G.S. 143C-5-4 are in conflict, the
12 provisions of this act shall prevail. The appropriations and the authorizations to allocate and
13 spend funds which are set out in this act shall remain in effect until the Current Operations
14 Appropriations Act for the applicable fiscal year becomes law, at which time that act shall
15 become effective and shall govern appropriations and expenditures. When the Current
16 Operations Appropriations Act for that fiscal year becomes law, the Director of the Budget shall
17 adjust allotments to give effect to that act from July 1 of the fiscal year.
18

19 **PART VII. EFFECTIVE DATE**

20 **SECTION 7.1.** Except as otherwise provided, this act becomes effective July 1,
21 2019.
