10 which an outdoor advertising sign is located is acquired by a public or private condemnor, as
11 defined in G.S. 40A-3, or the Department of Transportation, and the acquiring party requires
12 removal of the sign, any legally erected outdoor advertising sign is permitted to be relocated and
13 reconstructed within a two-mile radius from the existing sign location subject to all of the
14 following requirements:

- 15 (1) The new site for relocation is permitted to be any area within 660 feet of the

25 sign at the relocated site shall conform with customary use in areas zoned
26 commercial or industrial under authority of State law or if the relocated site is
27 unzoned, in unzoned commercial or industrial areas. The new site for

33 shall commence within one year after the date of removal.
34 (4) Subject to subsection (c) of this section, any outdoor advertising that is
35 required to be removed may be reconstructed as provided in G.S. 136-131.2
36 so long as the square footage of its advertising surface area is not increased.
37 In addition to other sign characteristic changes or alterations resulting from
38 the relocation, the height of the sign may be increased not to exceed 50 feet
39 measured from the adjoining road grade or base of the sign, whichever allows
40 for the greatest visibility.
41 (5) The express allowances of relocation and reconstruction in this section shall
42 apply to any legally erected outdoor advertising sign anywhere within this
43 State that is required to be removed as a result of action taken by a public or
44 private condemnor, as defined in G.S. 40A-3, or the Department of
45 Transportation, including such signs that are not subject to the jurisdiction of
46 the Department of Transportation.
47 (6) The express allowances of relocation and reconstruction in this section shall
48 apply whenever a lawfully erected outdoor advertising sign is affected by the

5 (a) of this section, except that the sign shall not be relocated a distance greater than 250 feet from
6 the lot boundaries on which the sign was previously located. No sign shall be relocated pursuant
7 to this subsection within 10 years from the date of the last relocation pursuant to this subsection,
8 however, this temporal limitation does not apply to relocations on the same sign location or site.

9 **(c)** Any outdoor advertising sign that is legally existing but would not be conforming to
10 customary use if relocated on the same sign location or site is permitted to be relocated on the
11 same sign location or site, subject to the following requirements:

20 responsibility for enforcing the federal State agreement referenced in the
21 definition of customary use in G.S. 136-128.

22 **(d)** A new site for relocation shall not be denied by the Department of Transportation due
23 to the presence of vegetation obstructing the visibility of the outdoor advertising sign from the
24 viewing zone. The owner or operator of the outdoor advertising sign shall be permitted to
25 improve the visibility of the sign by removing any vegetation on private property upon receiving
26 written consent of the landowner and on the right-of-way of the interstate and primary systems
27 of the State pursuant to a selective vegetation removal permit issued under this Article. A city or
28 county shall not enforce any ordinance or regulation in conflict with the rights set forth in this
29 subsection or to otherwise cause the withholding of consent by the landowner.

31 damages to the outdoor advertising property owner may consider the actual relocation of the
32 outdoor advertising in accordance with this section."
