SENATE BILL DRS45221-STxf-24

Short Title: Municipal Omnibus Bill.

(Public)

Sponsors: Senators McKissick and T. Alexander (Primary Sponsors).

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO MAKE VARIOUS CHANGES TO THE LAWS AFFECTING
3 MUNICIPALITIES.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.(a)** G.S. 105-373 is amended by adding a new subsection to read:

6 "(i) Relief from Collecting Unpaid Taxes After Ten Years. – The governing body of any
7 taxing unit may, in its discretion, relieve the tax collector of the charge of taxes owed that are ten
8 or more years past due when it appears to the governing body that such taxes are uncollectable."

9 **SECTION 1.(b)** This section becomes effective for taxable years beginning on or
10 after January 1, 2019.

11 **SECTION 2.(a)** G.S. 105-472(b) reads as rewritten:

12 "(b) Distribution Between Counties and Cities. – The Secretary shall divide the amount
13 allocated to each taxing county among the county and its municipalities in accordance with the
14 method determined by the county. The board of county commissioners shall, by resolution,
15 choose one of the following methods of distribution:

16 (1) Per Capita Method. – The net proceeds of the tax collected in a taxing county
17 shall be distributed to that county and to the municipalities in the county on a
18 per capita basis according to the total population of the taxing county, plus the
19 total population of the municipalities in the county. In the case of a
20 municipality located in more than one county, only that part of its population
21 living in the taxing county is considered its "total population". In order to
22 make the distribution, the Secretary shall determine a per capita figure by
23 dividing the amount allocated to each taxing county by the total population of
24 that county plus the total population of all municipalities in the county. The
25 Secretary shall then multiply this per capita figure by the population of the
26 taxing county and by the population of each municipality in the county; each
27 respective product shall be the amount to be distributed to the county and to
28 each municipality in the county. To determine the population of each county
29 and each municipality, the Secretary shall use the most recent annual estimate
30 of population certified by the State Budget Officer.

31 (2) Ad Valorem Method. – The net proceeds of the tax collected in a taxing county
32 shall be distributed to that county and the municipalities in the county in
33 proportion to the total amount of ad valorem taxes levied by each on property
34 having a tax situs in the taxing county during the fiscal year next preceding
35 the distribution. For purposes of this section, the amount of the ad valorem
36 taxes levied by a county or municipality includes ad valorem taxes levied by

* D R S 4 5 2 2 1 - S T X F - 2 4 *

1 the county or municipality in behalf of a taxing district and collected by the
2 county or municipality. In addition, the amount of taxes levied by a county
3 includes ad valorem taxes levied by a merged school administrative unit
4 described in G.S. 115C-513 in the part of the unit located in the county. In
5 computing the amount of tax proceeds to be distributed to each county and
6 municipality, the amount of any ad valorem taxes levied but not substantially
7 collected shall be ignored. Each county and municipality receiving a
8 distribution of the proceeds of the tax levied under this Article shall in turn
9 immediately share the proceeds with each district in behalf of which the
10 county or municipality levied ad valorem taxes in the proportion that the
11 district levy bears to the total levy of the county or municipality. Any county
12 or municipality that fails to provide the Department of Revenue with
13 information concerning ad valorem taxes levied by it adequate to permit a
14 timely determination of its appropriate share of tax proceeds collected under
15 this Article may be excluded by the Secretary from each monthly distribution
16 with respect to which the information was not provided in a timely manner,
17 and those tax proceeds shall then be distributed only to the remaining counties
18 or municipalities, as appropriate. For the purpose of computing the
19 distribution of the tax under this subsection to any county and the
20 municipalities located in the county for any month with respect to which the
21 property valuation of a public service company is the subject of an appeal and
22 the Department of Revenue is restrained by law from certifying the valuation
23 to the county and the municipalities in the county, the Department shall use
24 the last property valuation of the public service company that has been
25 certified.

26 The board of county commissioners in each taxing county shall, by resolution adopted during
27 the month of ~~April~~ November of each year, determine which of the two foregoing methods of
28 distribution shall be in effect in the county during the next succeeding fiscal year. In order for
29 the resolution to be effective, a certified copy of it must be delivered to the Secretary in Raleigh
30 within 15 calendar days after its adoption. If the board fails to adopt a resolution choosing a
31 method of distribution not then in effect in the county, or if a certified copy of the resolution is
32 not timely delivered to the Secretary, the method of distribution then in effect in the county shall
33 continue in effect for the following fiscal year. Provided, if a board of county commissioners
34 changes the method of distribution from the prior fiscal year, such change from the prior fiscal
35 year shall not become effective unless written notice is provided to the affected municipalities
36 before December 15 in the year of adoption of the resolution and copies of such written notice
37 are submitted to the Secretary. The method of distribution in effect on the first of July of each
38 fiscal year shall apply to every distribution made during that fiscal year."

39 **SECTION 2.(b)** This section is effective when it becomes law and applies to
40 resolutions determining the method of distribution adopted on or after that date.

41 **SECTION 3.** G.S. 75-41(e) reads as rewritten:

42 "(e) A violation of this section renders the automatic renewal clause void and
43 unenforceable. Nothing in this section creates liability for any public officer or employee of a
44 political subdivision of the State for disbursement of public funds pursuant to a contract rendered
45 void under this subsection."

46 **SECTION 4.(a)** G.S. 143B-135.56(b)(2) reads as rewritten:

47 "(2) Thirty percent (30%) to provide matching funds to local governmental units
48 or public authorities as defined in G.S. 159-7 on a dollar-for-dollar basis for
49 local park and recreation ~~purposes.~~ purposes, to local governmental units

51 governmental unit located within a tier one area as defined in

1 G.S. 143B-437.08. The appraised value of land that is donated to a local
 2 government unit or public authority may be applied to the matching
 3 requirement of this subdivision. These funds shall be allocated by the North
 4 Carolina Parks and Recreation Authority based on criteria patterned after the
 5 Open Project Selection Process established for the Land and Water
 6 Conservation Fund administered by the National Park Service of the United
