3 The General Assembly of North Carolina enacts:

4 **SECTION 1.** Chapter 90 of the General Statutes is amended by adding a new Article

10 Act."

11 **"§ 90-113.112. Legislative findings and purpose.**

12 The General Assembly makes the following findings:

14 compounds are effective at alleviating pain, nausea, and other symptoms  
15 associated with several debilitating medical conditions.  
16 (2) As of January 2021, 36 states and the District of Columbia have removed  
17 state-level criminal penalties for the medical use, cultivation, and distribution  
18 of cannabis, and in enacting this Article, North Carolina now takes similar  
19 action to preserve and enhance the health and welfare of its citizens.  
20 (3) This Article is intended to make only those changes to existing North Carolina  
21 laws that are necessary to protect patients and their doctors from criminal and  
22 civil penalties and is not intended to change current civil and criminal laws  
23 governing the use of cannabis for nonmedical purposes.  
24 (4) The General Assembly enacts this Article pursuant to its police power to enact  
25 legislation for the protection of the health of its citizens, as reserved to the  
26 State in the Tenth Amendment of the United States Constitution.
