A BILL TO BE ENTITLED

1  
2 AN ACT PROVIDING FOR HEALTHY FAMILIES AND HEALTHY WORKPLACES BY  
3 ENSURING THAT ALL WORKERS HAVE EARNED PAID SICK DAYS TO ADDRESS  
4 THEIR OWN HEALTH NEEDS AND THE HEALTH NEEDS OF THEIR FAMILIES  
5 AND APPROPRIATING FUNDS TO THE DEPARTMENT OF LABOR FOR  
6 ADMINISTRATION AND ENFORCEMENT.

7       Whereas, nearly every worker in North Carolina is likely to need, during any given  
8 year, time off to attend to his or her own illness or that of an immediate family member or for  
9 routine medical care; and

10       Whereas, paid sick days have been shown to slow the spread of COVID-19, saving  
11 lives and reducing the strain on North Carolina's medical system; and

12       Whereas, paid sick days are a first line of defense in any contagious disease outbreak;  
13 and

14       Whereas, many high-contact industries where contagious illnesses are most likely to  
15 spread are also those with the lowest paid sick days access rates in North Carolina, including the  
16 child care, home- and facility-based senior care, and food and drink sectors; and

17       Whereas, North Carolinians working in low-wage industries are both least likely to  
18 have access to paid sick days and least able to afford to take time off for illness without pay; and

19       Whereas, working North Carolinians who are Black and Latino are less likely to have  
20 access to employer-provided paid sick days; and

21       Whereas, the lack of paid sick days contributes to workforce attrition and detachment  
22 for women; and

23       Whereas, when parents are available to care for their children who become sick, the  
24 children's recovery is faster, more serious illnesses are prevented, and the children's overall health  
25 is improved; and

26       Whereas, parents who cannot afford to miss work must send children with a  
27 contagious illness to child care or school, contributing to the high rate of infections in child care  
28 centers and schools; and

29       Whereas, over 62,967 North Carolinians reported physical abuse or sexual assault  
30 between July 2017 and June 2018, and there were 1,036 domestic violence–related homicides in  
31 North Carolina between 2004 and 2018; and

32       Whereas, victims of domestic violence and sexual assault need time off to care for  
33 their health or to seek solutions, such as a restraining order or housing, to avoid or prevent abuse,  
34 and are forced to lose days of paid employment; and

1           Whereas, 39% or over 1.3 million private-sector workers in North Carolina are not  
2 entitled to any earned paid sick days to care for their own health needs or the health needs of  
3 members of their families; and

4           Whereas, low-income workers are significantly less likely to have earned paid sick  
5 days, with 60% of those earning less than \$20,000 per year lacking access to earned paid sick  
6 days; Now, therefore,  
7 The General Assembly of North Carolina enacts:

8           **SECTION 1.** Chapter 95 of the General Statutes is amended by adding a new Article  
9 to read:

42 (h) Actions under this Article must be brought within two years pursuant to G.S. 1-53.

43 (i) The rights and remedies created by this Article are supplementary to all existing
