- (d) Election for Partnership to Pay; Exceptions. – Except as otherwise provided in subdivision (2) of this subsection, an audited partnership may elect to report a final federal partnership adjustment arising from a partnership level audit in the manner prescribed by the Secretary. An election made under this subsection is irrevocable and cannot be made if the required income tax return is not filed within the period required by this subsection. The following provisions apply to an audited partnership that makes an election under this subsection:
- (1) Reporting and payment of tax. – The reporting and payment requirements are as follows:
- a. No later than six months after the final federal partnership adjustment, the audited partnership must file an income tax return reflecting the partnership's final federal partnership adjustment, as modified by G.S. 105-153.5 and G.S. 105-153.6, and provide any other information required by the Secretary.
- b. No later than six months after the final federal partnership adjustment, the audited partnership must notify each of its tiered partners of the tiered partner's distributive share of the final federal partnership adjustment, including any information necessary for the tiered partner to properly file a State income tax return. The information must be in the form prescribed by the Secretary.

If properly reported and paid by the audited partnership, the amount shall be treated as paid in lieu of taxes owed by the direct and indirect partners, to the extent applicable, on the same final federal adjustment. The direct partners or indirect partners may not take a deduction or credit for this amount on the State income tax return or claim a refund of the amount paid on the State income tax return. The amount in lieu of taxes is calculated as follows:
1. Exclude from the final federal adjustment the distributive share of all adjustments reported to an exempt partner not subject to tax under this Article.

2. For the total distributive shares of the final federal adjustment, as modified by G.S. 105-153.5 and G.S. 105-153.6, reported to direct corporate partners subject to tax under this Article, apportion and allocate the adjustments as provided under G.S. 105-130.4 and multiply the resulting amount by the tax rate under G.S. 105-130.3.
 3. For the total distributive shares of the final federal adjustment, as modified by G.S. 105-153.5 and G.S. 105-153.6, reported to nonresident individual direct partners and nonresident grantor trust direct partners subject to tax under this Article, apportion and allocate such adjustments as provided under G.S. 105-130.4 and multiply the resulting amount by the tax rate under G.S. 105-153.7.
 4. For the total distributive shares of the final federal adjustment, as modified by G.S. 105-153.5 and G.S. 105-153.6, reported to resident individual direct partners and resident grantor trust direct partners subject to tax under this Article, multiply that amount by the tax rate under G.S. 105-153.7. For purposes of this sub-sub-subdivision, an audited partnership may deduct from each resident individual direct partner's and resident grantor trust direct partner's distributive share the amount of the resident individual direct partner's and resident grantor trust direct partner's share of distributive income not attributable to the State from the partnership to the extent the resident individual direct partner's and resident grantor trust direct partner's share of distributive income not attributable to the State was included in the partnership's taxable income in another state or the District of Columbia and was subject to an entity-level tax levied on the aggregate distributive share of the partnership's income allocable to one or more of its partners. A partnership is taxable in another state or the District of Columbia if the partnership's business activity in that state or the District of Columbia subjects the partnership to a net income tax or a tax measured by net income.
 5. Add the amounts determined in sub-sub-subdivisions 1. through 4. of this sub-subdivision.
- (2) Exceptions. – A partnership may not elect to pay tax under this subsection if any of the following apply:
- a. The partnership made the election to be a taxed partnership under G.S. 105-154.1(a) for the reviewed year.
 - b. The partnership's final federal partnership adjustment resulted from an administrative adjustment request.
 - c. The partnership was not required to file an information return under the provisions of G.S. 105-154(c) for the reviewed year because the partnership was not doing business in this State for the reviewed year.

The Secretary must issue a notice of collection for the amount of the tax debt to the audited partnership. 1 distributive share of the tax debt by sending the partners a notice of proposed assessment in
2 accordance with G.S. 105-241.9. For purposes of this subsection, the term "tax debt" has the
3 same meaning as defined in G.S. 105-243.1(a).

4 (f) Tiered Partners. – The direct and indirect partners of an audited partnership that are
5 tiered partners, and all of the owners or beneficiaries of those tiered partners that are subject to
6 tax under this Article, are subject to the reporting and payment requirements of subsection (c) of
7 this section, and the tiered partners are entitled to make the election provided in subsection (d)
8 of this section. The Secretary is authorized to establish procedures and interim time periods for
9 the reports and payments required by tiered partners and their owners or partners and for making
10 the election under this subsection.

11 (g) Failure of Audited Partnership or Tiered Partner to Report or Pay. – Nothing in this
12 section prevents the Secretary from proposing an assessment against a direct partner or indirect
13 partner pursuant to G.S. 105-241.9 for tax due if a partnership or tiered partner fails to timely
14 make any report or payment required by this section for any reason.

24 partnership adjustment in accordance with G.S. 105-241.9."
